

DID YOU KNOW THAT DIRT IS ALIVE?

THERE ARE BILLIONS OF TINY CREATURES IN EVERY HANDFUL!

Can you spot 10 different creatures in the picture above?

FARMERS THAT SUPPORT HEALTHY SOIL GROW HEALTHIER FOOD. THAT'S GOOD FOR YOU AND FOR NATURE – IT MEANS CLEANER WATER AND MORE BIRDS, BUTTERFLIES, AND BEES!

Farmers do this by growing lots of different plants (not just one or two!) for as much of the year as possible & plowing less (because too much plowing can harm the soil).
